Ans: to the Q No-3

Hope is the with feathers that perches in the soul and mind.
It sings the tune without the words that are not important.
It never stops at all. The sweetest thing in the world is
heard from anybody and some must be the storm for them.
That could abash the little bird, that kept so many warm
and happy. I have heard it in the chilliest land. I also
heard it on the strongest sea. It is very beautiful.

The chart shows the source of USA electricity in 1980.

In chart, we can see the sources of USA electricity in 1980. There are five sources of USA electricity. The amount of Hydro-electric power is 16%. The another source is nuclear and its amount is 2%. Nuclear's source amount is short from the source amount of Hydro-electric power. The source

amount of oil is 12%. The other source amount of oil is

46%. The last source amount of natural gas is 24%. The

source of coal is very important. Because the source of

coal has big amount. The 2nd highest amount of source is

natural gas. The 3rd highest amount of source is Hydro-electric

power. The 4th highest amount of source is oil. The last highest

amount of source is nuclear. Nuclear is not very

important source of electricity. Every source of electricity is

very important for us. We have to increased the amount of

the source of electricity. If we don't do this, the source

of electricity will lose one day. So, we should be

careful about this matter.

Donia, Dhaka. 1236

Dear Lamia,

How are you? I hope you are well. I am also well by the Grace of Almighty Allah. Now, I am going to describe the future plan after passing HSC Exam.

Our HSC Exam is coming soon. I am prepared so well for the HSC Exam. I have future plan after passing the HSC Exam. I take preparation for HSC Exam beside of this I am also taking preparation for Admission test. After the HSC Exam, I will go to my village. In my village, there are many illiterate people. They don't know how to live a happy and healthy life. I want to educate them. For live a healthy and planned life, education is must. Education helps them to do their work very easily. Many farmers of my village are not educated. Because of this they don't know how to farming very well. Their child also don't get education. Because of this they also do many works to live a happy life. If they educated well, they will do work. I want to see the shine of my village. So, I will go there

and help people to get education. My village is so much beautiful. If you don't have any plan after the HSC Exam, you can join with me. You will also help me to educate the people of my village. I will be verry happy if you join with me.

No more today. Give my salam to yours parents and love to youngsters.

Yours ever

Sadia

A Lion and A Mouse

Once a lion was sleeping in a forest. Suddenly a mouse came there. It was in fact, playing a race quite happily and didn't notice the sleeping lion. While running, the mouse came very close to the lion. The mouse jumped into the lion and he woke up from sleep. Jumping like this made the lion angry. The lion caught the mouse and went to kill him. But the mouse requested the lion to don't kill him. The mouse continuously requested him to beg him and the mouse was crying. Seeing this the lion ~~was~~ decided to don't kill the mouse. For the kind of lion, the mouse got back his life. The mouse greeted the lion so well and he told the lion that he will remember the kindness of lion and also back the help. One day, that lion was trapped in a side of jungle. There was no animal who can help him. The lion was roared but no one came. Suddenly that mouse heard the ~~roared~~ of lion. So, the mouse ran away to the place where the lion was trapped. Going there he saw the lion. The mouse helped the lion to escape the trap. Then they went from there. The lion was so grateful to the mouse. He thought

the little couldn't back his favour. But the little mouse
was help him from the trap. From this they were ~~fine~~
friends.
